Sombody's SoHo seeks to bring attention to various SoHo organizations that provide assistance to people in need. The information below describes the services these charitable organizations provide and the ways in which you can support their activities. In an historical context, the purpose of the project is to introduce the idea of philanthropy as an active sculpture in our community.

Participating organizations are:  
 Children's Hope Foundation,  
 Friends in Need, Chla's Club,  
 Good's Love We Deliver Housing  
 Works, and the SoHo  
 Partnership.

*your philanthropy is our sculpture*
