Dr. Henry M. Wriston, President,
Brown University,
Providence, Rhode Island.

Dear Dr. Wriston:

These days are so terrifically busy that I hesitate to ask for a meeting of the Community Art Project committee.

I am sending to you, therefore, a report which Mr. Noble worked out some weeks ago. This indicates considerable progress and that the situation, while still small, is in a healthy state.

Sometime this spring, if not before, we should have a meeting, no doubt, to consider future steps in relation to it. I think that it has gone about as far as it can on a part-time basis. If it is to be properly developed the committee needs to give it some thought.

Cordially yours,

Royal B. Lamm
Executive Vice-President
