DESIGN FUTUR ING

SUSTAINABILITY,
ETHICS AND
NEW PRACTICE

Tony Fry

Tony Fry is one of the world's leading design theorists and philosophers. Fry has taught design and cultural theory in Britain, the United States, Hong Kong and Australia and holds a PhD in Cultural Studies in Design from the University of Birmingham. He is a founder of the EcoDesign Foundation, former Professor and Convenor, Master of Design Futures Program, Griffith University, Queensland College of Art, a contributing editor of journal *Design Philosophy Papers* and currently principal of The Studio at the Edge of the World, Tasmania. In this talk he will discuss the ways in which design is central to building sustainable futures.

September 5th
