MUSEUM OF ART
Rhode Island School of Design
Providence, Rhode Island.

July 14, 1943.

Mr. Henry M. Wriston, President,
Brown University,
Providence, Rhode Island.

Dear Mr. Wriston:

I take the liberty of writing you on the subject of the Community Arts Project because it has been brought to my attention that I am likely to be made somewhat responsible, if not entirely so, for this activity in the near future.

It has occurred to me that if this is likely to happen soon I would like to be warned of it well in advance, and I write, therefore, to ask whether it may be possible to call a meeting of the Project Committee at an early date.

I know that Dr. Farnum has been in touch with you through Dr. Adams, but it is possible you do not realize how important it is to the Museum that the future of the Community Arts Project is settled at the earliest possible moment.

Hoping that we may all have the pleasure of sitting down with you soon, I remain

Cordially yours,

Gordon Washburn
