Dear Mr. Washburn:

This is in response to your letter of July 14 requesting that there be a meeting of the Committee on the Community Arts Project at an early date.

I had an appointment to discuss this undertaking with Dr. Farnum at the first of this week, but the death of his mother has forced us to postpone it for a short time.

I shall hope to be able to proceed with this shortly, however.

Sincerely yours,

Henry M. Wriston
