BROWN UNIVERSITY

OFFICE OF  
THE VICE PRESIDENT

MEMORANDUM TO Mr. Woodward

Copy to Mr. Wriston

Date March 22, 1943

Subject: Community Art Project Truck

I have made arrangements with the School of Design to take title to the Community Art Project truck (lock, stock and barrel) and I authorize you to divest Brown University of its ownership rights thereto and therein. The consideration is "value received". All transfers of title, registration and insurance should be made immediately and the truck delivered to the School. This vacates the Horace Mann garage for other uses. The School will still make the truck available for use for the Project but it belongs to the School and may be used or disposed of by the School as it chooses.
