

*My High School was located at the top of
the hill. I and all of my friends climbed up
the 256 steps every morning, and climbed
down the 256 steps every afternoon for six
years. It is not such a wonderful experience.*

My High School was located at the top of
the hill. It and all of my friends climbed up
the 256 steps every morning, and climbed
down the 256 steps every afternoon for six
years. It is just such a painful, at the
same time, very sweet memory.
