

Howard Dully was born November 30th, 1948, in Oakland California. He married his wife, Barbara, in 1995, and has two sons. In his relationship, Howard is now a bus driver in San Jose, California. He is six-foot-seven, and described as gentle, vulnerable, and kindhearted. He was lobotomized by the infamous Dr. Walter Freeman, in 1960, at age 12. He shared his story with the world 45 years later.

"Do you know how many people you're championing? Do you know how many people that can't do what you're doing without me doing it for them?" -Barbara Welch, 2007
