SMOKE IN MY DREAMS

in dreams it is as if the only
elements are smoke and sand;
all people and places, all ideas
and objects are made of these
two substances. anything that
is not one is the other, but
both are volatile and shifting.

Bird Brain Press presents...

CLOSE COVER BEFORE STRIKING

in my dreams sandcastles build
themselves in institutional
ashtrays.

in my dreams there is an extra organ where the smoke gathers, somewhere between my mouth and my lungs.

in my dreams i can inhale and exhale at the same time.
