Andre Bradley

I wreaked havoc on myself through isolation,
going into the box of my mind. Fighting in the
ring of education became a box. Subsequently,
I dropped out of school. I left to learn.

*My family's history is a
relationship between my mother and father.
When they separated, a new relationship
in our lives. My family's photos were
deteriorating, but I have them. Now I have
them safe in one collection. I can create*
