

OPERATING INSTRUCTIONS: The contents of this book can be viewed by turning the wheel and pausing whenever text and image are centered in the various windows. At three intervals a drawer will line up with the opening in the front of the box. Pulling the tab will reveal additional contents. Please note that the drawers cannot be removed from the box.

COLOPHON: *Full Circle* was written, designed and produced by Julie Chen. It was letterpress printed on various papers using photopolymer plates. Special thanks to Macy Chadwick for her expert assistance with the intricate construction. Produced in an edition of 100 copies. This is number: 22
