if your inner image of reality is governed by those structures which stand above
qualitative reality
then when you call the landscape

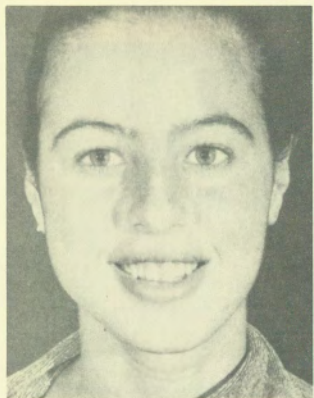

PICTURESQUE

has not art formed the immediate *sensuous* picture of nature in your
consciousness and if you call the same landscape

PRICELESS?

when money talks few are deaf

"Can you imagine the fun? Split screen: the distinguished Pope stepping off the plane from Rome in Miami and this nut, this Baptist preacher coming down the waterslide for \$22 million." The Rev. Jerry Falwell, imagining the scene on

evening television-news programs after he plunged fully clothed down a 60 foot water slide in Fort Mill, S.C., to celebrate the money he had raised to bail out the bankrupt PTL television ministry once run by Jim Bakker.

WHERE THERE IS NO *differentiation* THERE IS NO *defilement*

It's time to seek professional help.

Dear Abby: I went with this guy
for three years. He was the first
guy I ever dated. All in all, I
loaned him \$300. I know there
isn't anything I can do about my
virginity, but what are my chances
of getting my money back?
