The image shows a close-up of an open book. The pages are filled with a repeating pattern of the sentence "It's gotten so, everyone thinks they're someone." The text is printed in a dark, serif font and is oriented diagonally, running from the bottom-left towards the top-right of the frame. The pattern is consistent across both the left and right pages, creating a rhythmic, almost hypnotic visual effect. The lighting is soft, highlighting the texture of the paper and the slight shadows between the pages. The overall composition is a study in repetition and typography.
