I see

as in queen  
(the abecedarium of a typophilic)

undisguised

a quaint affliction

illustrated

mesostich

ten of letters

i celebrate  
the seldom seen  
and volatile  
teasing trickster's  
smile  
of the asymmetric  
nonpareil

Q

ever so gaudy  
you continue to  
occupy my daydreams  
with your odd compulsive  
pageantry

when you  
drop your handkerchief  
i am there  
to pick it up  
these days  
everything  
is centered on you

so voluptuous  
an  
introvert are you

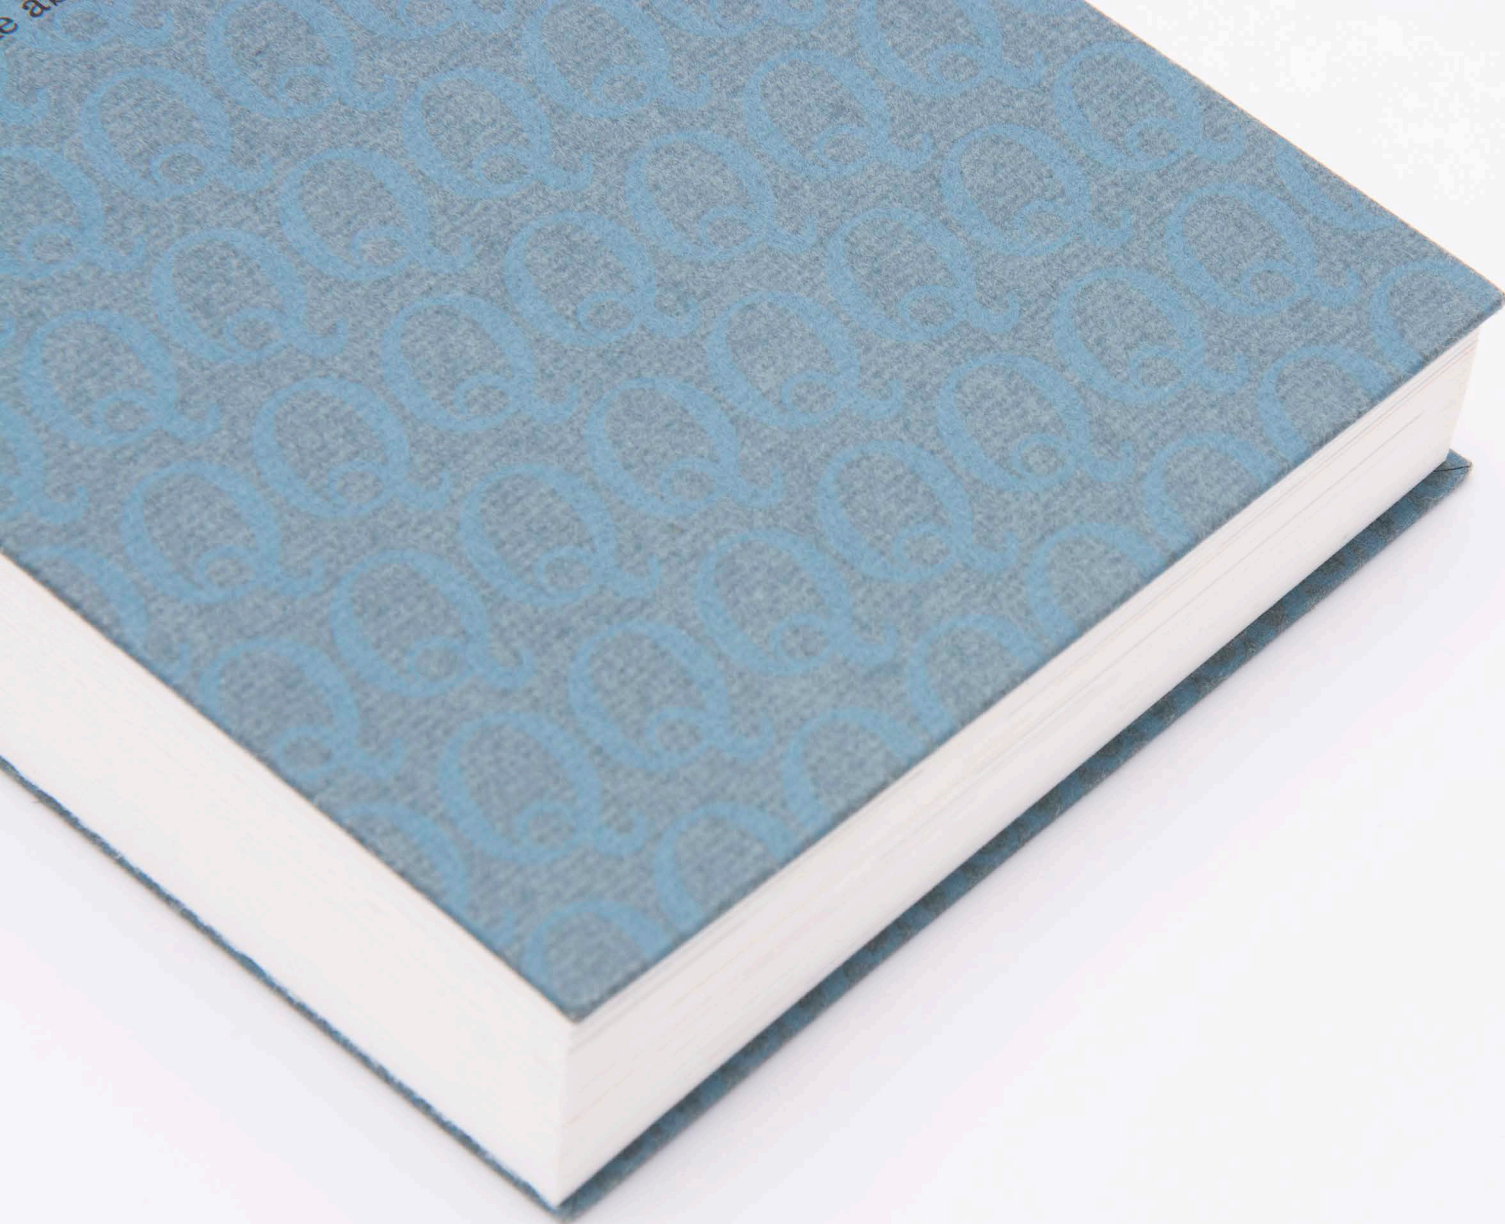

a spiralled  
juicy  
jellyroll  
a magnificent  
skein

as in queen

Q  
so many faces what  
do they conceal?  
as a buried  
city  
is uncovered  
so may  
i signalize  
your  
animating quiddity

your jaunty pose  
your bedcake dance  
a zealous excess  
a crazy romance
