He says that the U.S. "will not be a migrant camp and it will not be a refugee holding facility." * He falsely says, "Crime in Germany is way up," as a result of "allowing millions of people in who have so strongly and violently changed their culture!" Crime in Germany is the lowest it has been since 1992. * He says, "We don't want what is happening with immigration in Europe to happen with us!" * He says again, "CHANGE THE LAWS!" There is no law requiring that children be separated from their parents at the border. * He expresses his continued bitterness toward Obama: "If President Obama (who got nowhere with North Korea and would have had to go to war with many millions of people being killed) had gotten along with North Korea and made the initial steps toward a deal that I have, the Fake News would have named him a national hero." * He tries to discredit Special Counsel Mueller by connecting him to former FBI agent Peter Strzok: "Comey gave Strzok his marching orders. Mueller is Comey's best friend in Germany is up 10% plus (officials do not want to report these crimes) since migrants were accepted." Crime in Germany was even worse and insists, "If you don't care about crime and want illegal immigrants, no matter how bad they may be, to pour into and infest our Country, like separating children and parents at the border: "As a result of Democrat-supported loopholes in our federal laws, most illegal immigrant families and minors from Central America who arrive unlawfully at the border cannot be detained together or removed together, only released. These are crippling loopholes that cause family separation, which we don't want." * Joseph W. Hagin announces that he will step down from his position as deputy chief of staff. * He falsely claims, "Drugs are flowing through our border, because we have no wall and we have no protection." Most drugs are smuggled into the U.S. at legal ports of entry. * He falsely insists again that Germany "allowed millions of people in. And by the way, their crime, from the time they started taking them in." * He falsely claims again that he enacted "the biggest tax cut and reform in American history." He also false-ly claims, "Not since Ronald Reagan have they done any major tax cutting." JUNE 20, 2018: Trump blames Democrats again for his policy
