ateful thanks to Mar González  
acios for facilitating my research at  
e University's Birren Collection of  
ks on Color in 2019, to Michael  
Winnie Bidler for a gift of paper  
uts fifteen years ago which I have  
lly here put to use, to Sarah Searr  
her invaluable help with production,  
he Small Grants Program at The  
iversity of Alabama for financial  
port, to Anna Embree for a nudge  
he right direction, and to whoever  
as who passed on to me the dozens  
ags of Bembo type that I discovered  
ong my belongings and spent a  
ademic year sorting back to purpose.

twenty copies, this is number 1.
